## INSTRUCTIONS

- 1) This paper has 2 sections. Attempting all sections is mandatory.
- 2) You have 2 hours 30 minutes to complete the paper.
- 3) Each question carries a specific set of instructions. Please read the instructions carefully before answering.
- 4) Marks for each question are mentioned next to that question.
- 5) Use dry colour medium only. This may include pencil, pen, dry pastel, oil pastel, etc.

**Note: DO NOT break the seal until asked to do so**

## SECTION A: CREATIVE & VISUAL ABILITY

---

### Question 1

Marks 03 X 04 = 12

---

**Draw** using colour medium, a **tea-kettle** made of the following materials:

- Aluminium / Steel
- Ceramic
- Glass

You will be making a total of 3 drawings - one for each of the 3 materials listed above. **Use of Colour is mandatory**

Each form (drawing) should be appropriate to the material.

*Your work will be assessed on:*

- *Appropriateness of form as per material*
- *Surface rendering*

**Question 2**Marks : 05 x 02 = 10

---

This question has **TWO PARTS**. Please attempt both parts (i and ii).

**Sketch a 3-dimensional form** based on the given descriptions. Make sure to represent the volume of the form.

*Please note: A line drawing is sufficient; you do not need to render / shade / colour the sketch.*

Your work will be assessed on:

- 3-dimensional representation and accuracy

i. Imagine a cube of dimension 3"x3"x3".

A small cube of 1"x1"x1" is removed from any one corner of this cube. Draw the resulting form.

---

ii. Imagine a cylinder of 3" diameter and 6" height. The cylinder is cut into 6 circular slices of equal thickness. Draw all the slices, placed in perfect alignment, clearly showing a gap of 1/2" between them.

**Question 3****Marks 15 + 05 = 20**

Weave a story inspired by **ANY ONE** of the words given below:

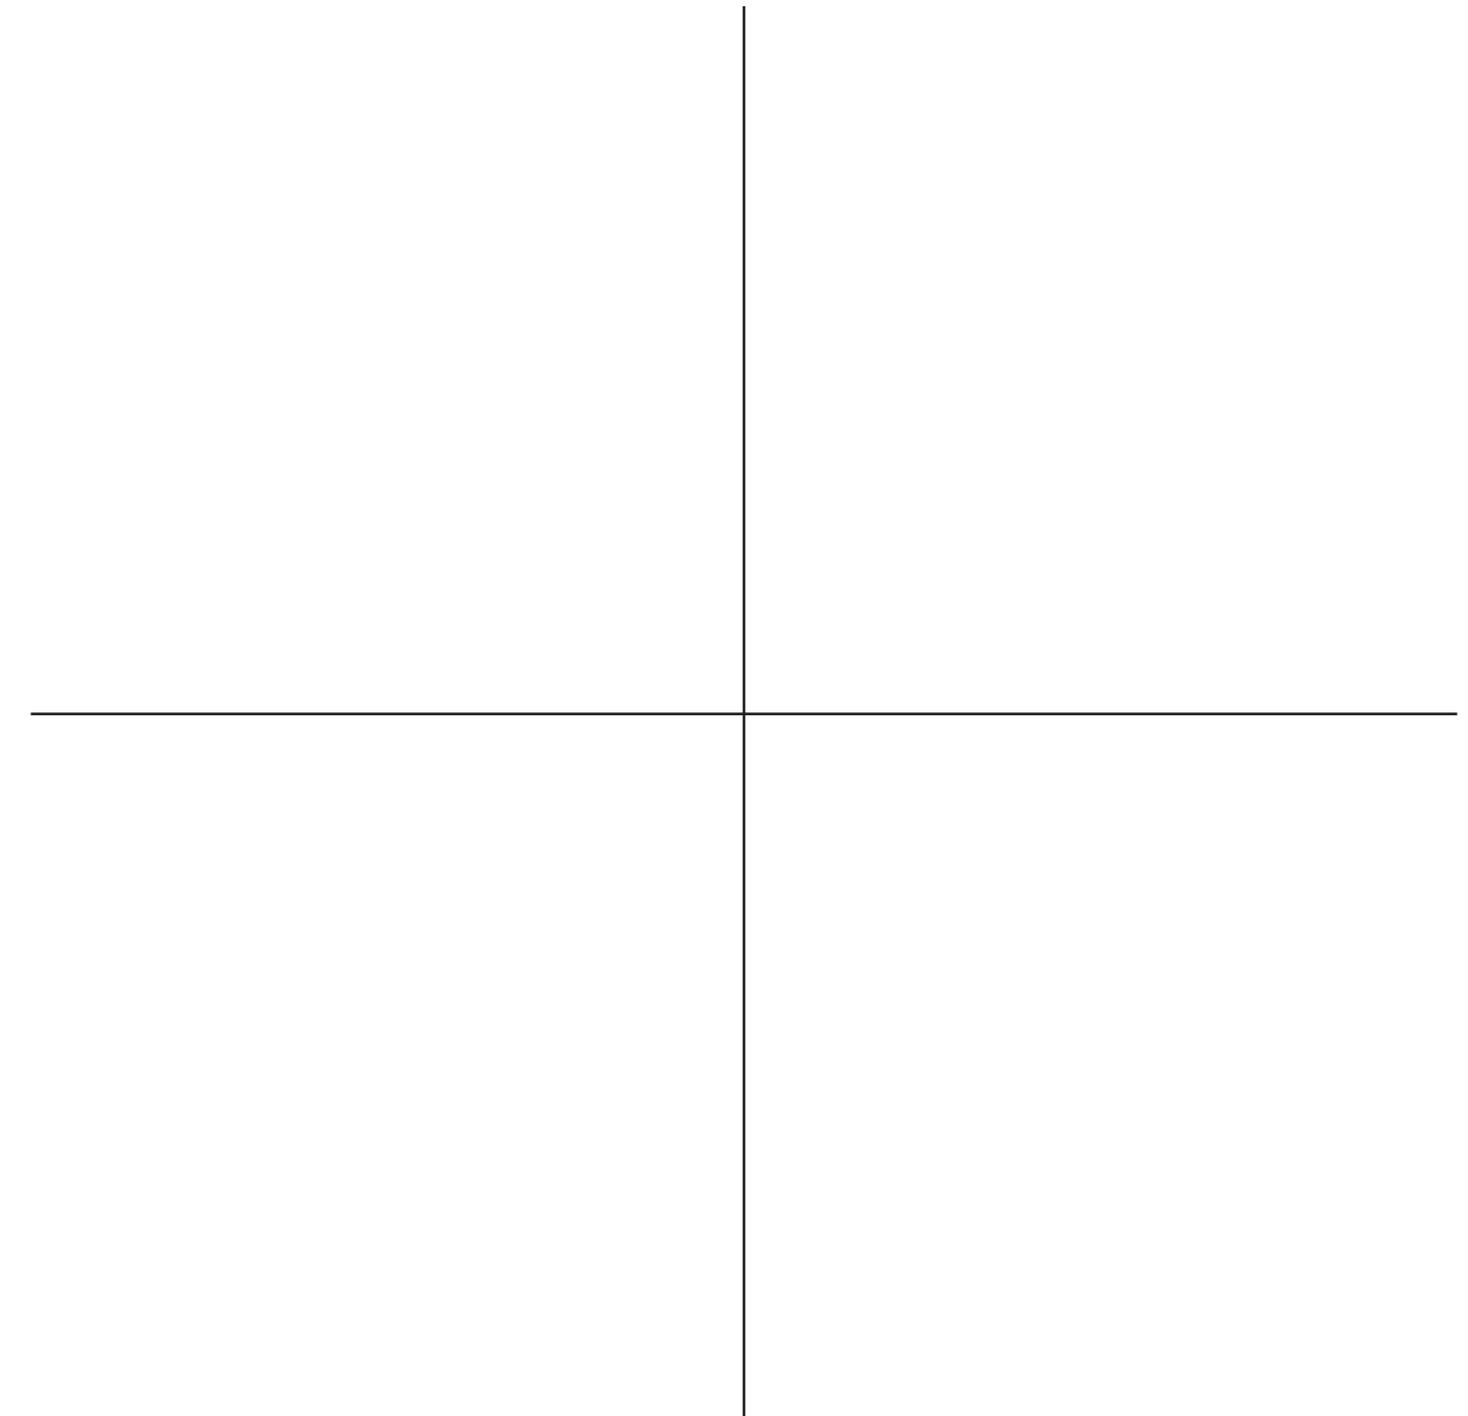

- Contradiction
- Water
- Fly

Write the story in **200-250 words**

Represent the story through 4 illustrations. **(Use of colour is mandatory)**

*Your work will be assessed on:*

- *Imaginative thinking*
- *Composition Skills: Use of space, arrangement of elements and colours*
- *Use of Language*

**Question 5****Marks : 10**

---

**Draw** the workshop of **ANY ONE** of the following professionals.

- Carpenter
- Ceramic Artist / Sculptor
- Car Mechanic

It is **NOT** necessary to use colour.

*Your work will be assessed on:*

- *Visual memory, accuracy & detailing*
- *Quality of Drawing*

**Question 6****Marks : 08**

---

Create **ANY ONE** of the following:

- Personal Accessory for a professional, inspired by Peacock or Alligator - It should be appropriate for work-wear.
- Furniture inspired by Spider for the reception of a spa or school.

Make a drawing to showcase your creation. **Use of Colour is mandatory**

*Your work will be assessed on:*

- *Imagination & Appropriateness*
- *Quality drawing and colour application*
